Your Support Transforms Lives: One Book At A Time

As we approach the final two months of 2024, we need your support to continue bringing Jane Addams Children's Book Award winning authors and artists as well as finalists to students in marginalized communities, spreading the powerful message of peace, social justice and global community.

Meeting authors and artists firsthand boosts children's confidence and inspires their learning and sparks a lasting love for reading!

Your support is vital in helping us continue providing life-changing experiences for children in marginalized communities.

To bring more authors and artists to these young learners, the Peace Association is aiming to raise \$10,000 by December 31st- and we can't do it without you. Your generosity will inspire curiosity, boost confidence, and foster a lifelong love of reading. Thank you for being a part of this important work!

Warmly,
Angela Medina
