Hello,

In 2025, we increased the number of youth served **and** the number of books gifted by **60%**! We believe every child deserves to see their stories, cultures, and histories

reflected back to them in the books they read. With your help, we can continue placing books directly into the hands of the young readers who need them most.

To bring even more authors, artists, and transformative stories to these learners, we are aiming to raise **\$10,000** by December 31st — and we cannot do it without you.

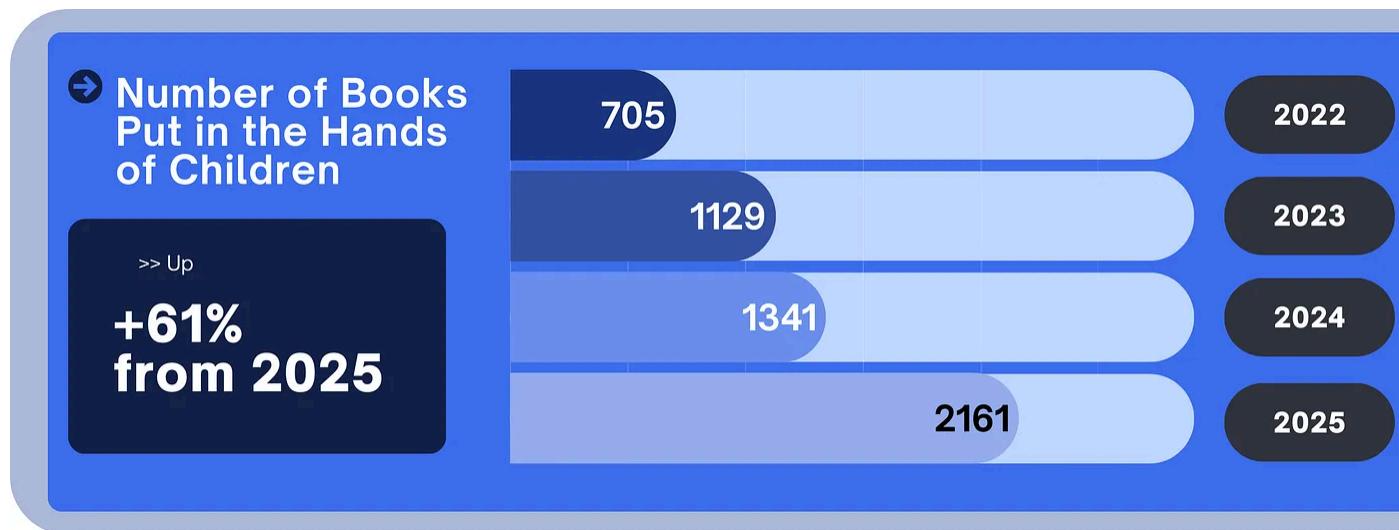

Thanks to a generous donor, **every dollar you give will be matched**. Any contribution, no matter the size, is vital to sustaining and expanding our work.

Thank you for being part of our mission and for standing with us in the power of literature, justice, and peace.

With hope,

The Jane Addams Peace Association
